Starting Point
Paarl
Western Cape Province
South Africa

Last Review: Thursday, 30th April 2020

Your Itinerary and abbreviations:**KM = distance cycled by bike, AM = altitude climbed by bike**

You get collected from your accommodation and head towards the historical Paarl valley. Our destination is the wine estate Rhebokskloof which dates back to 1692. After our bike adjustments, we head off and tackle the best single trail in the Western Cape. Be prepared for your share of fun as you negotiate the never-ending switchbacks and flowing single trail of the Shiraz and Pinotage routes, winding your way up and over the many terraces which form a natural amphitheater of fynbos, granite boulders, and a spectacular view over the surrounding vineyards.

The trails on this wine estate have recently been taken over by Hero Adventure. Since the takeover, the trails have increased in size with more options, you can now choose a multitude of routes to suit your technical skill level. All levels of rider welcome.

After the bike ride, we relax on the terrace and soak up the views of the manicured garden while enjoying lunch and a wine tasting. (optional) **KM: 35**

NOTE: Extensions are possible, should you wish to make this a full-day excursion by combining another bike park, please mention this when making your booking. Have a look at our other [Mountain biking](#) options.
